11 次の英文を読んで、後の問いに答えなさい。

One of the best woman athletes\* in the world is Chantal Petitclerc\*. She holds world records and has ①(win) many gold medals. Chantal cannot walk, ( A ) she has had surprising success.

Chantal is a wheelchair\* racing specialist\*. ( B ) she was 13 years old, she ②(lose) the use of both legs in an accident. Chantal was not a very active\* child. However, after her accident she decided to find a physical activity\* to keep her health, ( C ) she began swimming. She started wheelchair racing in 1987. In her first wheelchair race she finished last. ③ This did not stop her. Chantal got interested in the sport and started training.

Five years later, Chantal joined the Paralympic Games\*. In the Paralympics, the best disabled\* athletes around the world compete\* with each other. Like the Olympics, the Games are ④(hold) every four years. At her first Paralympics in Spain, Chantal won two bronze medals\*. She also joined the 1996, 2000, and 2004 Paralympic Games. Until now, Chantal has got 11 Paralympic medals and made three world records.

⑤Chantal's [ her / has / success / famous / made ] in Canada. In 2004, a Canadian magazine called her "Canadian of the Year." Although she is famous and successful, Chantal has a very normal life. Training is very important to her, but it is not the only thing in her life. She never trains after six o'clock at night. Her favorite activities are reading and watching movies. She also likes having dinners with friends. She lives in an apartment in Montreal\*, Canada, with her boyfriend. They do ⑥household chores like cooking, cleaning and washing together. She says she learned most household chores in a wheelchair.

Chantal was a university student when she first decided to start training for the Paralympics. She was studying history. She wanted to finish her studies, but she had to make a choice\* between studying at the university and training for the Paralympics. Chantal is happy with ⑦her choice, but she would like to finish her studies some day. ⑧It [ to / for / easy / will be / begin / her ] another challenge.
